## NEWS RELEASE

A preliminary investigation of an officer involved shooting reveals that at around 8:20 Saturday night, police were called to a club at 2022 McCullough for a disturbance. The caller had stated that a man with a gun was in the club earlier and had left and a gunshot from outside the club was just heard. A San Antonio Police Officer arrived and a witness pointed to the parking lot and to the man with the gun. At this time, the suspect turned the gun on himself and fired a shot. The officer believing he was being fired upon then fired his service .40 caliber semi-automatic Glock in the direction of the suspect. None of the officer's bullets is believed to have hit the suspect.

The suspect was transported to the Bexar County Medical Examiner's Office where an autopsy will be conducted. He is described as a white male, 23 years of age. The weapon was recovered at the scene by the suspect's body.

The officer has been with the San Antonio Police Department for one year.

The names of the suspect and the officer are not being released at this time pending the notification of the next of kin.
